CUBANS LACK CONFIDENCE.

Believe the Recently Inaugurated Reforms Are For Political Effect.

HAVANA, March 20.—Enrique Collazo says that Secretary Root's visit and utterance will undoubtedly create a good impression throughout the country.

"Although Mr. Root said nothing new," Senator Collazo remarked, "this is almost certain to be the case. The change of policy from General Brooke's regime was obviously seen. General Wood's policy is more frank and, on the whole, favorable to the inhabitants, but is due to political reasons affecting the Republican party in the United States. On this account Cubans do not place any special confidence in the actual administration, although they have all along trusted to the American people. There always will be a lack of confidence on the part of the Cubans, despite anything that may be said, until something definite is being done to encourage the agricultural resources of the country. While I admit that this cannot be accomplished in a day or two, I contend that the want of confidence is due to the conviction that if the United States really wished to see Cuba free and independent they would do all they could to foster the resources of the country."

Smallpox Becomes Epidemic.

COLUMBIA, S. C., March 20.—An epidemic of smallpox prevails in Yemassee township, Beaufort county. It was reported to the governor several days ago, and measures taken for the suppression of the disease, but it is now beyond the control of those in charge. A few cases are developing daily, and the situation is becoming alarming.

Bitten by a Mad Dog.

SUMTER, S. C., March 20.—Samuel Shaw and four children have been bitten by a mad dog. While the children were at play they were attacked by the dog, and Shaw, in attempting to rescue them, was also bitten. The people of Sumter are contributing funds to send Shaw and the children to the Pasteur Institute for treatment.

Testimonial From Judge Gaston.
GREENVILLE, Ala., Aug. 10, 1899.
I take great pleasure in certifying to the purity and the merit of Wilkinson's Matchless Mineral Water. This natural mineral tonic, to my personal knowledge, is taken from a well three miles east of Greenville, in the exact condition in which it is sold. I have seen this water used, with wonderful success, for indigestion, dyspepsia, sore eyes and for eruptive diseases, sores and ulcers on man and animal. As a remedy for these troubles, I do not believe its equal exists. It is highly recommended by physicians for a number of diseases.

Pretty Children

"We have three children. Before the birth of the last one my wife used four bottles of MOTHER'S FRIEND. If you had the pictures of our children, you could see at a glance that the last one is healthiest, prettiest and finest-looking of them all. My wife thinks Mother's Friend is the greatest and grandest remedy in the world for expectant mothers."—Written by a Kentucky Attorney-at-Law.

MOTHER'S FRIEND

prevents nine-tenths of the suffering incident to childbirth. The coming mother's disposition and temper remain unruffled throughout the ordeal, because this relaxing, penetrating liniment relieves the usual distress. A good-natured mother is pretty sure to have a good-natured child. The patient is kept in a strong, healthy condition, which the child also inherits. Mother's Friend takes a wife through the crisis quickly and almost painlessly. It assists in her rapid recovery, and wards off the dangers that so often follow delivery.

Sold by druggists for \$1 a bottle.

Fat Man Wanted a Correction.
"That was a fine report you had of the explosion," puffed the fat man, who did not know there was an elevator in the building and climbed three flights of stairs to the editor's office. "A fine report, I must say." And sarcasm fairly rang in his tones. "Did you know that it was my furnace that blew up, that I stand the loss, but for me you wouldn't have the item?"
"If you are D. J. Jones, we did."
"I am D. J. Jones. You didn't even spell out my middle name. You'd think that my wife and hired girl were the whole thing the way you wrote it up."

"The girl was terribly burned, and your wife was badly hurt while saving the girl. You don't appear to have had any hand in the matter."

"Didn't he? Did you notice how slowly I sat down when I came in here? Did you hear me stifle a groan? I'm sore as a felon from the crown of my head to the sole of my foot. That's what I am. But there's not a word about that."

"Were you in the explosion?"
"No. Wish I had been. When I heard the report, I knew some one must be hurt. I fell down stairs. I ran five blocks for a doctor. When I got home, I was so exhausted that I had to retire, and this morning I had to roll out of bed on a chair to get up. It wasn't my fault that the doctor was out or that an ambulance was at the house when I got back. You can say that I showed great presence of mind and got out and lugged myself or stop my paper. Good day!"—Detroit Free Press.

Fear Evil Spirits.

Evil spirits are held in great dread by the Chinese, who believe them to bear special ill will to the eldest son of the family and to delight in playing unkind tricks upon him. To prevent this the eldest son in one family was named "Sixth Little Sister," the child's parents evidently being under the impression that evil spirits could be deceived as to the sex of the little one.
